WORD TEMPLATE

Use this guide to ensure accessibility and brand consistency.

Typography

Consistent typography elevates copy to a consistent visual representation or bold UND messages. Different fonts communicate different feelings and perform well when used with a definitive hierarchy.

Styles

- Use the Styles group on the Home tab.
- Do **not** alter styles.
- This document contains license-free branded typefaces: Oswald Medium, Nimbus Roman No9L and Arial. If these fonts are not already installed on your computer, they are available for download at [Font Squirrel](#).

Accessibility

If publishing on the web or sending through an email, please take these additional steps for accessibility. Visit TTA DA's page on [Accessible Content for Microsoft Word](#).

Use Word's built-in **Accessibility Checker**.
