

CIRCLE

1. **Cut out** the circle, below.
2. **Cut** the circle's lines (so it looks like a pizza slice)
3. **Wrap** the circle (overlap the stars past each other) and tape it shut

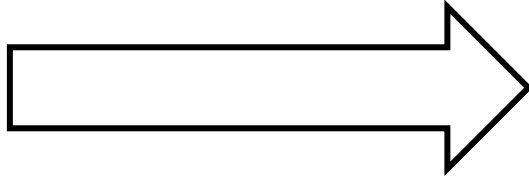

FINS

1. Fold this paper in half, along the **solid black line**
2. **Cut out** the shapes to the left (these will be your fins!)
3. **Fold** on the dotted line, so the end is pointed outwards, taped to the rocket
4. **Tape** the fins and nose cone to your rocket.

Start ROLLING from **this** side
